About Me

I am a UI/UX Designer and Frontend Developer passionate about creating intuitive and visually appealing digital experiences. With a strong eye for detail and proficiency in design and development tools, I ensure every project is both user-friendly and technically sound. I thrive in collaborative environments, always aiming to innovate and enhance user interactions.

Education

SMKN 14 JAKARTA

SMKN 14 Jakarta, Major in Multimedia, Graduated with Merit.
1st Place in Vocal Group Competition as a Pianist, Jakarta Pusat 2 (2023)

Jakarta, Indonesia

Experience

Karamel CDI

East Jakarta, Indonesia

Web Developer (INTERN)

January 2023 – July 2023

- Designed websites with a soft and responsive interface, enhancing user experience.
- Demonstrated proficiency in web technologies and programming languages such as Bootstrap, CSS, and basic JavaScript.
- Developed and implemented innovative features, improving website functionality and performance.
- Ensured cross-browser compatibility and optimized website performance for seamless navigation.
- Conducted thorough testing and debugging to identify and resolve issues, ensuring a smooth user experience.

GPDI LA

Central Jakarta, Indonesia

Multimedia Team

December 2016 – Present

- Operated multiple software applications to enhance live broadcasts, ensuring a professional and polished presentation.
- Implemented innovative multimedia solutions to enhance communication and engagement within the church community.
- Coordinated with the multimedia team to ensure a harmonious integration of edited content into live events and broadcasts.

Leadership & Activities

Catharsis Vocal Group

Central Jakarta, Indonesia

Pianist

July 2023

- Combining my love for playing instruments with an active interest in basketball demonstrates a balanced lifestyle, showcasing discipline, teamwork, and a commitment to maintaining a healthy and active routine.
- Highlighting experiences such as coaching a choir while simultaneously serving as the pianist for a vocal group, leading to the achievement of the 1st place title on that particular day, can effectively demonstrate my versatile skill set.
